

*Launching a New Decade of Service
Expanding Transportation Options*

2010-2011 Annual Report

The mission of CTN is to provide dependable and efficient transportation so no one is left behind.

Transportation is a basic need to access community services including healthcare.

Over **2,000 riders** were able to access community resources.
CTN worked with **50 local groups** to meet transportation needs.
35,601 trips were provided in
Fort Wayne, Allen County, and NE Indiana.

Accessible Affordable Accommodating
Friendly Dependable

*The only local nonprofit agency to address
the specialized transportation needs of
seniors, persons with disabilities, low income families, children and youth.*

“The children enjoyed the interaction with the CTN driver.” Early Childhood Alliance staff going on a field trip to enrich the experiences of the children. More children from various child care centers and daycares could take field trips on Head Start buses operated by CTN.

“I want to thank all the drivers for being so thoughtful.” Christine going to doctor.

“I am very grateful to CTN and I don’t know what I would do without it.” Mary going to doctor. Friendly, accommodating, and affordable service for individuals increased their independence.

Thanks to all who supported CTN throughout the year!
